64 Crescent Street, Montreal, Jan 12, 1898.

My dear Professor Goldziher,

My heartiest thanks for your kind words.

p. 177, Note 1) Reads thus in the manuscript. I think now with yourself that something must be supplied, and am in favor of the reading:

ذَي بِذَكْرِ احمد بن حنبل [ابن اششان]

is not very clearly the Ms.

Thanking you for pointing out this fault and with kindest regards, Yours Faithfully,

Walter H. Patton.
