የኢትዮጵያ የገኘበት ስነዎች

March 1909

Many people were here last
The weather is still very cool
and there is a lot of rain.
We are trying to get along
but it is hard to live in such
a place. The food is not good
and there is no fresh fruit or vegetables.
There is no way to get out of here
and there is no way to get in.
We are stuck here and we have no
place to go. We are trying our best
to survive, but it is getting harder
every day. We are trying to find a
way out, but we have no idea where to go.
