Dear Professor Goldzicher

I am sending you to-day the first 8 slips of Kinship & Marriage and ~~also~~ also a note of yours which appears at the foot of n. 2, or slip 8. I will continue to do this, and only ask that if you have any extra notes, remarks ~~or~~ or corrections to make, you will let me have them at your earliest convenience. For example, these eight slips must go for final press in a fortnight's time. I need hardly say that I shall be glad of and shall acknowledge any corrections

you may make, and as Robertson Smith's spelling differs somewhat from the present. I append his ^{own} table of translation.

Believe me
yours very truly
