My dear Sir, Many thanks
for your pamphlet "Le Culte
des Ancêtres et le Culte des
Morts chez les Arabes", which
reached me by last post. I
promise myself much plea-
sure from the perusal of it.
Should you visit England, I
hope you will come and take a
look at Cambridge. Is there
any chance of Prof. Vambéry
visiting our country this year?
Pray remember me kindly to
him when you next meet.

Believe me

Yrs very truly
