Leho Square,

London, W.

11th. Aug. 1900.

Professor Goldzieher,
VII, Holló-utca 4,
Budapest.

Kinship & Marriage
in Early Arabia.

Dear Sir,

Please excuse us for troubling you, but we should be much obliged if you would kindly let us know, how far you have progressed with the new edition. In your last letter to Dr. Sutherland Black you had some hope of having it ready by now.

Believe us, dear Sir,

Yours very truly

A. & C. Black
