Dear Sir:

So as to simplify the work of our Subscription Department, we beg leave to notify you that as Member of the Foreign Board of Consulting Editors of the Jewish Encyclopedia, you are entitled to a copy of each volume of this work free and the same shall be forwarded to you in course. If, however, you have also independently subscribed for the work you will receive a formal notification that the volume to fill your subscription is ready for delivery and a second copy will be forwarded to you as an ordinary subscriber.

We take this course as we consented to go ahead with the work on account of the number of subscriptions that we had received, and cannot therefore cancel any subscription. We feel sure that an editor who is a subscriber will not have any difficulty in donating the second copy of the book.

Yours very truly,

*Funk & Wagnalls Company*
