Dear Sir:-

We wrote you a few weeks ago asking you to be kind enough to forward us a copy of your portrait for use in preparing an illustrated announcement of the completion of the first volume of the Jewish Encyclopedia. So far you are the only member of the Foreign Board of Consulting Editors for whose picture we are waiting, and we shall esteem it a favor if you will have the kindness to forward us a photograph immediately on receipt of this, or if you do not happen to have one refer us to some photographer who has and we shall greatly appreciate your kindness.

We might state that this announcement will include among other illustrations samples of original articles, translations, galley and page proofs, in various stages of progress, portraits of members of the Editorial Board, of the American Board of Consulting Editors, of the Foreign Board of Consulting Editors, and of the officers of the Funk & Wagnalls Co., and various department heads of the office staff.

Yours very truly

T.

I. E. Funk
