Dear Sir

It has to thank you
for kindly submitting you for
publication an English translation
of your work on Islam with
some God-diehl, but we must
regret we are unable to undertake
the same at the present time
as our publication arrangements
are very full.

May we suggest to
you that we think it very

likely the "Trinitas of the Gift
Memorial" would probably
publish the book. Should you
care to address them on the
subject it would be well to
write to J. Bertram Esq., 144
Suffolk St., Pall Mall East,
London S.W.

Will you kindly let us know
whether you wish the set of proof
sheets returned to you or sent to
any other address?

We are
Yours faithfully
Lee Jones
