Dear Sir,
Gibbs Memorial

The Trustees had before them at their meeting to day the proposal made by Dr. Griffini & your letter in support of it.

I have been instructed to inform Dr. Griffini that the Trustees regret that they are not able to undertake the work -

Apart from its merits absence of funds would have compelled

this course at the present time - but I cannot hold out any expectation that the Trustees decision will be varied, as independent enquiry on their part has convinced them that the work is not suitable for their series and they are very sorry not to be able to oblige you.

Yours faithfully
Julius Bertram

Professor
Dr. J. Goldziker.
