Hungary

Dear Sir,

May we remind you our letter dated June 20, 1966, concerning your work,

IL MARXISMO Y LA CRITICA LETTERARIA,

which one of our local clients wants to see because he is interested in acquiring the rights for the Spanish language.

Please let us have your answer soon, even negative, so that we can inform our client accordingly.

Many thanks!

Sincerely yours,

A. R. Lifezis
