Dear Dr. Lukács,

It is with pleasure that I send you the enclosed  
volume. The Graduate School of Contemporary European Studies was  
honoured to present the series of lectures and discussion on your  
work and ideas, and the publication of papers in this book is the  
first in English which sets out to look at your works as a whole.

Yours sincerely,

*Stuart Wolff*

Dr. S. J. Wolff, Chairman,

Graduate School of Contemporary European  
Studies
