Dear Professor Bronne
Most of the Hon. Members have
received their Journals, but
we were very uncertain
whether Dr Ignaz Goldziher
was still to be found at the
same address & we held
back his Journals for
further information
of his usual address will
still find him, viz:
Via Holló-utca 4
Budapest

17. GROSVENOR STREET
Lith here his copies sent on
at once. If there is any
change perhaps you would
kind let me know. I will
keep the parcel for a couple of days.
There is no change in our
foreign Am. numbers.

Yr. truly

Edward Hull

On enquiry, I find that two
of our Journals were sent
to Dr. Solziken to above
address & were returned
With you then please
send his correct address.
