My Dear Friend, Many thanks for the excellent Report  
on Arnold's work, safely received. The fee due to you  
will probably not be sent until after the vacation,  
which has now begun, but I will take care it is not  
forgotten. As regards the hugging word عَبَّ الْبَابِ  
I cannot make anything of it and am consulting  
others. I hope we may arrive at some suggestion:  
only: من يجلّ مقى عجزت عن حله.

Remain. Yours most sincerely,

Edward G. Browne.
