Dear Professor Goldziher.

We are looking forward with pleasure to your visit to us for the Quater Centenary of the University. The celebrations begin on Monday the 24<sup>th</sup> Sep. and last till Friday the 29<sup>th</sup>. and we hope you will be able to be present all the time. I am glad to hear you are one

of the distinguished guests  
whose eminence is to  
be acknowledged by the  
confering of a degree.  
It will be a most  
illustrious gathering.

I expect your cards  
for the various functions  
(which are to be  
sent to you here)  
will include an in-  
vitation for a Lady;  
but if you have no

wife to bring with you  
there will be a lady.

friends of ours staying  
with us, who will be

very glad to receive  
the benefit of the in-

vitations. You might  
be kind enough to

send us a Post. card  
next week saying when  
we may expect you.

With much respect  
I remain

Yours sincerely  
J. W. Woblymont
