Dear Herr Professor Goldziker
 Dr. in Ellymont + I are to be at
 a Conference in Buda Pesté 18 to 21 Sept^r
 I may arrive earlier - we are advised
 to go to Hotel Pammonia but before
 going we hope to sail to Danube +
 will not leave Bad Homburg till
Tuesday 5th Sept^r or perhaps the 6th.

Are you & Mrs Goldzyker at home or
in the mountains for we should
like to have a day with you?

What a lovely summer we have had
now we are enjoying a holiday -

The delegates to the Hungarian
Reformed Church Conference in
Buda Pest 18 to 21 Sept are to visit
some Theological Seminaries before
going to the Conference -

We are looking forward with
great pleasure to seeing your
lovely city again - If we have
a few days to spare is there any
beautiful excursion you w^d advise
us to do or stay in the mountains
& where should we stay.

With our kind remembrances to
Mrs Goldzyker - your son & yourself

I am yours sincerely
Agnes M. Chymont
