Dear Mr^s Goldziber - Since I last
wrote to you, my plans for the
autumn have been changed & I shall
return to Bpest in the "beginning
of October - I shall hope to have the
pleasure of seeing you soon after
my arrival - I hear that the summer
in Hungary has been a cool one but I
hope you had fine weather enough
to make your stay in the Zuglitz
enjoyable - We have had a good deal of
rain here lately - & it is not very warm.
My kind regards to the Professor & thanks
for his card from Eugen - I hope he enjoys
his journey - Kindest regards to yourself
& son - Y^rs sincerely Ethel Davis Aug. 31st 94
