Dear Mrs Goldziker - I know that  
you & the Professor, also your son will  
be very sorry to hear that I lost my dear  
mother on May 9<sup>th</sup> - I found her very  
seriously ill on my arrival - she was  
suffering from phlebitis following on  
influenza - the pain she suffered weak-  
ened the heart & the immediate cause  
of death was heart-failure - I am  
very thankful that I arrived in England  
in time to be with her 10 days before her  
death. I hope you are all well & that  
the Professor has quite recovered from his  
recent illness - My address is

kindest regards  
to all from  
y<sup>r</sup>s sincerely Ethel Davis
