Dear Professor Goldziker,  
Thank you very  
much for the 12 crowns,  
safely received -  
I'm afraid I have not  
honestly earned them  
all, but I thank you  
for your generosity -

This has been a bad  
winter for me, as I  
have not felt really  
well since the autumn.  
I have been obliged  
to give up a good many  
of my lessons -  
I always enjoyed  
so much the pleasant  
evenings I spent with  
you (in spite of the red book!)  
& I was very sorry to  
miss them -

I hope to call & see  
you before very long -  
- My sister is starting  
for a 6 weeks trip  
to Egypt next Friday -  
She is going with a  
young widow, W<sup>m</sup> <sup>P. Mann</sup>  
daughter of Mr. Glick  
of the Aurora -  
I shall feel lonely  
without her -  
I may take a holiday  
for a fortnight myself  
at Easter - if my

health has not much  
improved by them —

I hope you are all  
well —

With kindest regards

Y<sup>rs</sup> very sincerely

Chil D. Davis
