Professor Dr. Ignatz Goldziher,
Univ. 4 Holló-utoza,
Budapest, Hungary.

My Dear Dr. Goldziher:-

May I trouble you in a matter which does not concern the
Jewish Encyclopedia?

One of my young friends, a son of the late Dr. Adolf
Haebsch, intends to enter the ministry, and has thought of going
to Budapest for his studies. Would it be possible for me to pro-
cure for him a copy of the regulations covering the entrance of
students to the university and to the Jewish seminary, and might I
also ask whether it is absolutely necessary, in case he does go to
Budapest, to learn Hungarian?

With very kind regards, I am

Cordially yours,

Richard Gottheil
