Herrn Prof. Dr. Ignaz Goldziher

Buda Pest, Ungarn

Zuglizet 21.

Haus Volke, Bad Wildungen. 30 July 1908

Dear Prof. Goldziker

Thank you very much for your illuminating review of  
Levine's work. It was his first attempt, and naturally was  
imperfect in many points.

I am sorry to hear from Jastrow that we are not to see  
you in America, as I had hoped. I trust that you are again  
in good health. With cordial regards from Mrs. Gottheil  
and myself-

Ever faithfully yours

Richard Gottheil
