FROM DR JAMES HASTINGS,

KINGS GATE, ABERDEEN, SCOTLAND.

Dear Dr. Goldziher

I am sending by this mail the typed proof of your article Education (Muh.). In a few instances the translator is not sure whether the Arabic word stands for the name of an author or of a work. Will you kindly see that the authors are marked in Roman type or the works in italic type. I shall be much obliged if you will also supply the dates for which blank spaces are left.

Yours faithfully,

James Hastings
