FROM DR JAMES HASTINGS,

11 KING'S GATE, ABERDEEN, SCOTLAND.

Dear Professor Goldziher

We are now working on M.  
for the ERE and I shall be glad to  
receive your art. Muhammadianism as  
soon as it is ready. Muhammadian Law  
is fully dealt with by Juynboll; and  
there is to be a series of separate  
articles on Muhammadian Sects. Then  
we are to have also a separate article  
on the Koran and a series of articles  
on Muhammadianism in the different  
countries [China, Japan, etc.]. So your  
article on Muhammadianism would  
be quite general, giving a short account  
of its tenets and a general survey  
of its importance. How soon do  
you think you could let me  
have the MS.?

Yours sincerely

James Hastings
