Dear Sir

I am glad that you have the material collected for the article Education(Muslim). I should like to give you space to do justice to the subject; would 5000 words be sufficient? I could give you till the end of August, and probably till the middle of September, if I could absolutely count upon receiving the article then.

I do not think that there is any objection to your repeating in the article what you have said in your lecture for the Khuda-Bakhsch Memorial Series.

Yours faithfully,

*James Hastings*
