Dear Professor Sjöström

I hear with great
pleasure that we may
hope to receive contribu-
tions in the form of articles
from you for the
Journal, and I would
to say that any
such offer will be

cordially welcomed

I would add that
should you wish to
send them at any
time in form as there
would not be the

least difficulty in
having them translated
over here & proofs in

English submitted
to you for correction

I am yr truly
