Honoured master,

Might I venture  
to ask your help in  
the English translation  
of von Kreners  
Kulturgeschichte  
Stiefzüge which I  
am now doing.

If you can spare  
time I should like  
to send the proofs  
on to you. It is  
not a very big book  
as you know & I don't

Suppose it will take you long  
to go thro' the proofs.

I make this request to you  
as your personal & the  
proofs will surely enhance  
the value of your translation  
and the book. I hope  
you will be good enough  
to offer me the help  
I crave for.

Should you be able to  
spare time I shall  
forward the proofs  
to you at once.

Yours sincerely  
S. Khurda Publisher.
