My dear Dr. G. G. G.,

I am deeply
 grateful to you for kindly
 correcting the proofs
 of my extract from
 the Huzur. I have
 sent it to the R. D. M. G.
 for publication in the
 Rubā'iyat of Saifuddin
 Bakhrāzi. It is
 all but unknown
 in Europe. We have a
 copy of this Rubā'iyat
 in our library.

May an work translating
in one of the European
languages. I really
believe that they would
attract no less
attention than the
Pentateuch of Umar
Khayyam. I do hope
they will be printed
soon.

might I venture
to ask you for a
favor. I shall feel
deeply grateful to you
if you would forward
me with the following
papers of yours.

I have seen quotations & references
to them but I don't know
where to get them from.

- (1) Materialien zur
Entwickelungs-geschichte
des Sufismus
- (2) Das Princip des
Istikhbar in Muham.
Gesetzwissenschaft.

Yours very sincerely
J. Khuda Mu Khosh
