Dear Sir:

The Committee on the Dr. Kohler Memorial Volume has noted with pleasure your willingness to contribute an article to this work. We know that it will greatly enhance the value of the book both from a scientific standpoint and as a memorial token.

We are taking the liberty of reminding you again that your article should be in the hands of the Committee no later than May 10th, 1912, in order that ample time may be given for the physical making up of the book.

Trusting that we may receive your contribution by that date, and with every assurance of esteem, we beg to remain,

Most respectfully yours,
