Prof. S. Ignata Goldziker

My Dear Sir

I am still eagerly waiting for an article on your pen on Arabic - Jewish history or philosophy. You have time to contribute to the Revue d. Etud. Juives, surely you can have time to send me an essay for a holy purpose - to honor the memory of a friend & colleague, one who loved you and sacrificed his life for science. I have about 40 Mss. from eminent scholars but Goldziker's name is missing in that number. I beg of you not to refuse me. If you desire remuneration, I will cheerfully give you although I am poor and need myself. But if merely can buy an article from you on Islam & Judaism or any such subject, it will be done. I beg of you to send in by October 1<sup>st</sup> to S. Calvary & Co., in Berlin N.W.6. (Luisenstr. 31) a paper for the Kohut Oriental Studies. I will be forever grateful for your kindness.

Your faith fully  
E. A. Kohut
