OFFICE OF THE CHIEF RABBI,

22, FINSBURY SQUARE,

Prioste

London, June 14/04 5664

Dear and esteemed Professor,
 Pray excuse that
 I have not replied ere this
 to your favour of the 5th inst.
 It was necessary for me to
 consult some of my friends on
 the Council of Jews College,
 and I was also desirous
 of reading the publications
 which Dr. Yahuda was good
 enough to send me.
 In the first
 place I would again offer

you my sincere Congratulations
at the high distinction which
was conferred on you by the
Cambridge University, and on
various occasions at this memorable
Congress. I am sorry that I
was unable to join some of the
Receptions to which I was
invited, especially the Conversazione
at the University of London,
with which I am specially
connected. We are very grateful
to you for the kindly interest
you evince in Dr. Gekuda.
It is true we require a strong
addition to our teaching Staff,
especially as our Principal

Dr. Niederlander is aging (1921)
(1917) 1/4 2/4. But
the difficulty about Dr. G. is
that he is at present not
proficient in English, and especially
that we would not require
merely a scholar in Bible-exegesis
and Jewish philosophy, but
one who is an expert in
all the various branches of
Hebrew literature, including tal-
ludics. But you may rest
assured that I shall bear
your warm recommendation in
mind, if at any future time
I would meet with a post
that would be congenial &

and suitable to Dr. G.

With the assurance of
my sincere esteem and re-
spected thanks,

I remain,
Dear Professor
Yours very truly
A. A. S.
