Dear Soldierier, Thank you very  
much for your article on Fetich  
and review of Yahuda. The print  
I have read three times. There is  
so much in it. I have just sent  
off to Houtama my article on  
H. H. H. H.. It will make three  
or four pages and I think you  
will find some new ideas in  
it. The Snouchs have been  
with us and we have had a  
very pleasant time with them.  
It reminded me of your visit.  
I had some good talks with  
Snouch and we are much  
nearer, one another in spirit  
idea than I had thought.  
Mr. Snouch and my wife got  
along very well - we know  
one another now. I have  
been asked to give the Haskell  
lectures at Oberlin on some  
Muslim subject but I have  
tried to get it changed to  
O.T. literature. You remember  
your own remarks Ich bin kein  
Kenniant! With all good  
wishes from us both to you both  
and to my own and his  
wife Yours truly  
J. B. MacDonald.
