Dear Sir

In your review of 'Firdaus III'
(of which the proof may have reached you)
you say "In the present Vol. a new
work by that author (Abu Hayyan al
Tawhidi) appears, viz. an Extract from
the Ecology of Jahiz." I see that this
work is, in fact, mentioned in Vol I
p. 141. l. 12. as Abu Sahl al-Balkhi

Should you wish your statement
modified in any way, & have al-
ready returned the proof, please
let me know & I will see that any
required alteration is made.

Otherwise pray do not trouble
to reply to this.

Yours truly

H. F. Amedroz
