Dear Professor

I am sending your printer's
proof of your Review (Book II) with
your copy, & if you can manage
to return it speedily, your extra-
ordinary rapidity of study will be
testified to by its appearance in the
J.R.A.S. in January -

Tomorrow I hope to send you a copy
of my late Article, & I need not say
that criticism will be welcome

I will bear in mind the work
you mention *أخبار* *إلياس*, but
it is you who should deal with it

Yours truly
H. F. Amedroz.
