Professor J. Goldziher,

Dear Sir,

I beg to thank you for kindly sending me a copy proof of your article on Mussulman Jurisprudence (Fikh) which you are contributing to the Encyclopaedia of Islam.

I had promised myself both interest and profit from the study of your article but unfortunately I find that by some mischance it has been lost.

Would it be asking too great a favour if I were to request you in case you have a spare copy to send it to me for which I shall feel very grateful.

Again thanking you for your courtesy and kind thought.

I remain with much respect,

Yours truly,

*Ahmed Ali*
