My dear Professor Goldziher,
A few days ago I heard
from my brother that you
had been so good as to
accede to my request for
a testimonial to aid me in
my application for the St.
Andrews chair of Hebrew.
I do not know yet in what
terms you may have written
but I thank you very heartily
for them; I feel that I can
rely upon your kindness.

It is not very long since
I expressed my indebtedness
to you otherwise, so I
need not add words now.
Permit me to sign myself

Yours most gratefully &
sincerely

Wm. W. Woodward
