Dear Goldzytes at last
I send off a bundle of
my stuff to Budd. I
had to send for them
as all my copies were
pocked away and it
took time. Two more
shall follow. I have
sent also a note in
which I try to make
clear my O. T. position.
Thank you very much
for all the trouble you
have taken. It will be
a great help to both
Mr. M. Dwyer if I do
not succeed this time.
So I am gathering all the
evidence I possibly can.

Faithfully,
W.B. Macdonald
