پروفیسر ایگنای گولڈزیگر

Professor Ignay Goldziker,
Budapest, vii,

Hungary.

Holló-utca 4
Kuglyut ut 21

11 Charing Cross Mansions,
Glasgow Scotland, 28/viii/07.

Dear Goldyther, Did I tell
you that Snodgrass had
declined the Muhammadan
ism article? So I am hung
up again. Have you any
one else to suggest for the
job? I know you will say
I should take it myself,
but I simply can't.

Nothing will be done about
the Glasgow Chair until
early in October. So I can
only wait with what
patience is possible. It has
pretty well destroyed this
summer for me.

I hope that you are
yourself feeling much
rested and better generally.
Don't undertake too much.

With best greetings and
wishes from us both to you
both.
Yours faithfully,
Duncan B. Macdougall.
