Very many thanks for  
the reviews from ZMG.  
I have read with special  
interest that on Seal  
and Shumuk? With  
your conclusions in it  
throughout I can agree.  
You may have noticed  
a popular review of the  
story by me in  
a recent number of the  
New York Nation. Your  
article on the Qadqile  
is most luminous but  
calls for more study  
than I can give to it  
at this moment. Nor have  
I the necessary books  
here.

I am still working toward  
an edition of Gallouet's MS.  
How many copies do you  
think would be taken up  
in Europe? Faithfully,  
Dunson B. Macdowell

The dark of-mooned incident 5 or very exactly described by my notes.
