Dear Goldziher, Thank
you very very much for
your paper on the Kital
al-farg. It will make
my use of the book quite
a different thing.

But what of the
editor Muhammad
Badr? Is that the
kind of thing a Western-
ized Oriental does? Or
is he simply worthless
all through? I read
a book of his in English
on Islam. It too swarmed
with misprints. But I
could not help feeling
also that the man was
dishonest, that he knew
he was not giving the
facts. I am sorry. He is
married to a Scotch wife.
But peters to you both

from your
faithful
Hans
