Thank you very much
for the review of the
Recueil. I have got
from it a number of
points and now I
shall send for the book
itself. Did I ever draw
your attention to the
book by my classmate
Weir on the Saïnt of
Morocco? It is really
well worth reading.

I am awfully disgusted
with de Vaux's treatment
of 'Abd al-Qādir. He has
made a very poor job
of it. But Voliers articles
are good. I look for much
from Motylinski and
the African men. If they
only realize how good we
would the papers be.

Will be quoting from you both
in the next issue of the
Journal.
