Dear Colleague, On account of the grave condi:
tion of my eyesight, I am prevented writing
to you personally. Concerning your last letter
you will find the article you refer to in
Avicenna, but I have only a bad copy of
it among my papers. and for the mo:
ment I am unable to make research my:
self. But Professor Simonsen has kindly pro:
vided to write to you in my name. Hoping
for better conditions I am,
yours truly. A. F. Schram
