12 Haverly Road, Cambridge. April 5. 1914.

Dear Professor Goldziher.

Many thanks for your kindness
in sending me your Vortrag - Katholische Tendenz
und Partikularismus im Islam. I was interested to
hear of your meeting with 'Abd al-Baha'. The text of
the 'Kitab al-Zumma' is nearly all printed, but the
book is not likely to be published until next
year.

Yours sincerely

Raymond A. Nicholson
