February 3rd, 1911.

Prof. Dr. Ignaz Goldziher,
Budapest, Hungary.

My dear Prof. Goldziher:

I thank you very much for your acceptance of membership on our Advisory Board, and in this regard, it will certainly interest you to learn, first, that Guedemann, Immanuel Loew, Brody, S. H. Margulies, Harkavy, Hartwig Hirschfeld, Poznanski, and Hermann Gollancz have joined the Advisory Board; and, secondly, that I have just returned from Chicago, where I succeeded in winning Dr. Emil G. Hirsch for the Editorship-in-Chief of the HEBREW CLASSICS: this acquisition, in view of his great influence, is a solid guarantee for the final success of the enterprise.

I am, my dear Prof. Goldziher, with best regards,

Very truly yours,
