Dear Sir,

In reply to your post-card of the 17th. we have gone into the matter of an English translation very carefully & regret to say we ~~have~~ have come to the conclusion there is not a sufficient market for it. In addition the sale is affected by the cheaper price of the German issue, as the English edition is bound to be expensive owing to the heavy cost of translation etc.

We return the proofs by same post.

Believe us, dear Sir,

Yours very truly

A. & C. Black
