Dear Mr. Lukacs,

I was very interested to see in your new book on Solzhenitsyn, your comments on Chingiz Aitmatov. His book FAREWELL, GUL'SARY! is being published on July 6th in this country and I thought that you might like to have a copy, and perhaps give us your reactions to the English edition.

We are very enthusiastic about the book here and especially excited as we have just heard that the author may be coming to England for publication.

Meanwhile best wishes for the publication of your own book

Yours sincerely,

Angela Goldman
