Dear Mr. Lukács:

I wish to request your permission to reprint your essay "LEO TOLSTOY AND WESTERN EUROPEAN LITERATURE," which originally appeared in your STUDIES IN EUROPEAN REALISM (published by the Hillway Publishing Company, London, 1950), in a collection of essays in literary criticism that I am editing. My collection is titled "Types of Contemporary Criticism" and is to be published by Harper & Row, Inc., of New York City.

I hope you will grant me this permission to reprint your essay. It would be of great interest to American students.

Yours,

*Sheldon Grebstein*
