Dear Sir,

Mrs Ruth Glass, the wife of Professor David Glass, has mentioned to us that you are now preparing a collected edition of your critical and political writings. Would you be so kind as to tell me what arrangements, if any, that you may have made for publication of all or some of these volumes in England?

Yours faithfully,

*Timothy O'Keefe*

Dear Professor Lukacs,

It was kind of you to tell me about arrangements you have already made with Merlin Press for the publication in English of two of your books.

I should like to know, if possible, what other books you have for which no arrangements have been made for translation into English. I should be glad to have any information you can give me.

I believe that Mr Eric Hobsbawm has written to you on our behalf.

Yours sincerely,

*Timothy O'Keefe*
