26th July, 1968

Dear Professor Lukacs,

Thank you for your letter of 27th May, which has finally come to me.

I am embarrassed to admit that I have been unable to find out what the check was for, but I have sent you two copies of your book, REALISM IN OUR TIME, in any case.

If there is anything more I can do for you, do not hesitate to write me.

Yours,

Judy Sklar Rasminsky
