

heit war stets mit Armuth verbunden, aber sie war vom klaren Lichte der Religionswissenschaft
durchstrahlt und hat auch die beglückenden Strahlen des himmlischen Lichts auf das Schiff der ~~Israeliten~~ ge-
worfen. ~~Israeliten~~ und der Reichthümern für ~~Israeliten~~, der auf das weite gefahrvolle Meer der Leben-
niskette ausrop, der jedoch glücklich heimgekehrt sind die schwere Ladung in den richtigen
Hafen gebracht, jetzt nicht vergessen hat, die das himmlische Licht nicht erlöschen lassen; und
Lange soll die ganze Israelitische Nation in seinem letzten Segen: freue dich ~~Israeliten~~, wenn
du ausruhest, um auf den wandernden Wogen des Meeres deinen Weg durchs Leben zu finden, freue dich
dein ~~Israeliten~~ befindet sich in seinem Felde und verdankt sich dem Glück des Thora. Und ~~Israeliten~~
freute sich wirklich und sorgte reichlich dafür das, macht die irdische Wissenschaft nicht vernachlässigt.
So war es früher in Israel, so lange im Judenthume nur diese zwei Klassen bekannt waren: Kaufleute
und Gottesgelehrte. Aber seitdem im Israel keine Schwanken gezogen sind, da hat auch die Laxe
im die Gottesgelehrten aufgethört, seitdem alle Wege des Lebens für Israel offen stehen, da nimmt auch
jede Interesse für religiöse Wissenschaft im Israel ab. Wir haben diese Noth in einer Landesconferenz
Tag für Tag von Fröh bis Abend über die Hebung und Befestigung des Religionsunterrichts verhandelt, mit
hingehungsvoller Bereitwilligkeit suchten wir die Wege und Fortschritte nach den Mitteln, durch welche
das religiöse Wissen in Israel wieder auf die alte Stufe geloben würde. Es gibt uns einen Weg,
mit ein einziger Mittel, welches im Segen Salomo angedeutet ist: ~~Israeliten~~ macht uns durch ~~Israeliten~~
in der Schrift werden; ~~Israeliten~~, der die irdischen Schätze sammelt, nicht dafür sorgen, dass ~~Israeliten~~
hat die Schätze der Religionswissenschaft sich aneignen könne. ~~Israeliten~~ ^{1771, 1772} ~~Israeliten~~ ¹⁷⁷³ ~~Israeliten~~ ¹⁷⁷⁴ ~~Israeliten~~ ¹⁷⁷⁵ ~~Israeliten~~ ¹⁷⁷⁶ ~~Israeliten~~ ¹⁷⁷⁷
