Dear Sir,

I venture to
ask your kind acceptance of the
accompanying volume: - English
Translation of Nöldeke's 'Syr.
Gramm.' I thought it possible
that you might like to see the
version. I notice with pleasure
that Nöldeke has dedicated
his recently issued 'Beiträge'
to you. Pardon this highly
informal way of introducing myself
with much regard & esteem
I remain
Yours truly, James A. Orrickton
