BURLINGTON HOUSE, PICCADILLY,

Dear Browne -

Best thanks for your note. You are quite right; we did not remove any of our corresponding Fellows from our lists so that Dr. Goldzicher is still a Corresponding Fellow of the British Academy.

As regards the sending of Publications this question has already been discussed but no

Decision has yet been arrived at: I am bringing
it up again at the next meeting of the Council

Yours sincerely
J. Gallucci.
